CYCLING SAFELY IN WINTER

Cold weather doesn't mean the end of cycling

The winter months can be a great time for cycling. By focusing on following the rules and regulations, dressing accordingly, seasonal hazards, and bicycle maintenance, cycling can be a positive and enjoyable experience. Follow these tips to make the most out of your winter cycling.

For more information about cycling on sidewalks, please click [here](#).

COMPLETE STREETS IN NEW JERSEY

An up-to-date list of Complete Street policies in New Jersey

There are currently 88 municipalities and 6 counties with Complete Streets policies in NJ, with Randolph Township, Chester Township, Long Hill Township, and Bedminster Township being the most recent additions. This brings the total NJ population living in municipalities with Complete Streets policies to over 2.5 million people or 29.46%. Essex County leads the way with 11 municipalities having adopted policies, followed by Morris County (10 municipalities) and Bergen County (9 municipalities). Salem County and Passaic County remain the only counties without a single municipal Complete Streets policy.

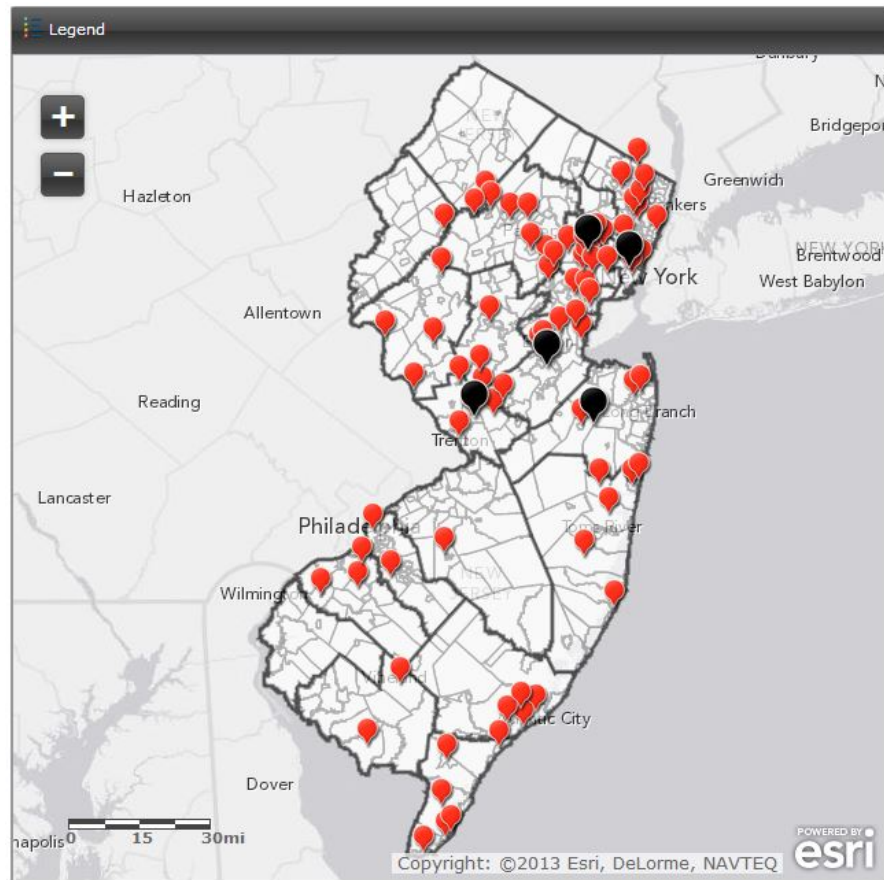

To access the most up-to-date list of complete streets policies adopted in the state, please click [here](#).

NJ COMPLETE STREETS POLICY ATLAS

A new interactive resource to explore Complete Streets in NJ

With more and more New Jersey communities adopting Complete Streets policies, NJBPRC is proud to present the new interactive Complete Streets Policy Atlas! This resource allows you to click around the state and explore the links to municipal (red) and county (black) policies.
