COMPLETE STREETS IN NEW JERSEY
An up-to-date list of Complete Street policies in New Jersey

There are currently 81 municipalities and 5 counties with Complete Streets policies in NJ, with the Borough of Flemington and the City of Perth Amboy being the most recent additions. This brings the total NJ population living in municipalities with Complete Streets policies to over 2.4 million people or 27.66%. Essex County leads the way with 11 municipalities having adopted policies, followed by Bergen County (8 municipalities) and Morris County (7 municipalities). Salem County and Passaic County remain the only counties without a single municipal Complete Streets policy.

NJ COMPLETE STREETS POLICY ATLAS
A new interactive resource to explore Complete Streets in NJ

With more and more New Jersey communities adopting Complete Streets policies, NJBPRC is proud to present the new interactive Complete Streets Policy Atlas! This resource allows you to click around the state and explore the links to municipal (red) and county (black) policies.
NEW JERSEY GETS 'STREET SMART'
NJTPA Launches New Pedestrian Safety Campaign

In an effort to increase pedestrian safety throughout New Jersey, the North Jersey Transportation Planning Authority (NJTPA) is launching the Street Smart campaign. The program, conducted in partnership with the Federal Highway Administration, the New Jersey Department of Transportation and the New Jersey Division of Highway Safety, will encourage both drivers and pedestrians to "check your vital signs".
