Don't miss out! NJDOT TAP Grant Deadline is November 24, 2020

The New Jersey Department of Transportation (NJDOT) is offering funding for the Transportation Alternatives Set-Aside Program (TAP), which is a federally funded program administered by NJDOT, in partnership with the North Jersey Transportation Planning Authority (NJTPA), the Delaware Valley Regional Planning Commission (DVRPC), and the South Jersey Transportation Planning Organization (SJTPO).

The TAP provides federal funds for community based "non-traditional" surface transportation projects designed to strengthen the cultural, aesthetic, and environmental aspects of the nation's intermodal system.

This program is only offered every other year, so do not miss out!
